

Fleet Pricing Guide:

Fleet Level 1 = Standard Fleet Pricing

Fleet Level 2 = 4% Off Invoice Total

Fleet Level 3 = 6% Off Invoice Total

Fleet Level 4 = 8% Off Invoice Total

- To receive and maintain your company's fleet pricing level, we ask the majority of general repairs and maintenance services are performed by Movin' and Lubin'. General repairs are services such as brakes, starters, alternators, tune-ups, no starts, etc... Many of these can be performed "on-site" but some may have to be serviced at our facility.

Onsite Pricing Guidelines: (pricing level calculated per visit to your location)

Fleet Level 1 = 3 or less vehicles or less than 1.5 billable hr of service per visit

Fleet Level 2 = 4-6 vehicles or 1.5-2.9 billable hrs of service per visit

Fleet Level 3 = 7-10 vehicles or 3-4.9 billable hrs of service per visit

Fleet Level 4 = Over 10 vehicles or 5 or more billable hrs of service per visit

-Gas vehicles = 1 Vehicle, Diesel Vehicles=1.5 vehicles

-Have keys and vehicles ready for service

-Know what vehicles are being serviced and what needs to be done,

Shop Pricing Guidelines:

-Based on various factors determined by Movin' and Lubin' that include but are not limited too: number of vehicles in fleet, percentage of total fleet repairs performed by Movin' and Lubin', maintenance services performed, total sales, age of vehicle, etc.

**Movin' and Lubin' holds the right change pricing level at their discretion on any job, some jobs may not receive discounted pricing

**All invoices must be pd within 15 days of receipt
